**Lowrance:** Software 20.1

**B&G:** Software 20.0.1

## Garmin ActiveCaptain Compatibility

In addition to being compatible with Garmin Multifunction Displays (MFD's), Seakeeper Ride is compatible with the Garmin ActiveCaptain App. This means the Seakeeper Ride system can be controlled wirelessly from a compatible smart device! Simply download [the Garmin ActiveCaptain App](#), connect the smart device to the boat's GPS, and find Seakeeper Ride within the Helm screen.
